From the Headteacher

Congratulations to Battlewell House who won the overall House competition this week and as a result were given the privilege of wearing non-school uniform to school today.

Students throughout the school who have received no consequences had the opportunity to watch a film as a reward this week. I also sent a message to the parents of over 350 students who have managed to go through this challenging year with no behaviour points - an excellent achievement.

This week we have said goodbye and good luck to the following colleagues:

Mrs Allen KS3 Learning Manager English – Mrs Allen is moving to Malmesbury School to a promoted post of Second in English

Miss Reynolds - Teacher of Drama - Miss Reynolds is moving to Newark Academy to be Subject Leader of Drama.

Ms Costa - ASC Co-ordinator – Ms Costa leaves us for a new position at Farmor's School where she will be managing an ASC unit.

We would like to thank them for their time and commitment at Bradon Forest School and wish them all the very best in their future careers.

We will be joined in September by some new members of staff:

Mrs Haines will be starting as Headteacher. Mrs Haines will also be teaching some English.

Mr Cridge - Teacher of Drama/English

Mrs Lanphier - KS3 Learning Manager, English

Miss Maxted - Teaching Assistant

Mrs Greenaway-Light - joining our current Counsellor - Miss Fox, bringing our counselling provision up to 5 days a week.

Thank you for all the wonderful messages of support I have received as I finish my last week as Headteacher of Bradon Forest School. It has been an emotional time as I reflect on my journey in education.

I would like to wish every one of you and all our students, every success in the future. Take care of each other and stay safe.

I hope you all have a wonderful summer break.

Julie Dickson

MESSAGE FROM NETWORK RAIL

Due to the very high level of trespassing on the tracks by young people in our local area, Network Rail in partnership with Learn Live are working to help raise awareness to students across the UK educating them about the dangers of the train tracks through interactive digital delivery.

Please find below a link to watch a brief safety video at home before the summer break, as we traditionally see an increase in trespassing over this long holiday period. Remember 15 mins can help save lives and provide important safety information to young people. We have made things easier for you to watch the free safety videos by just entering the email railsafety@learnliveuk.com into the I am registered field when you first watch the videos.
