

BRADON FOREST SCHOOL

Termly round up

Term 2 - December 2021

"Welcome to the second newsletter celebrating the many achievements of Bradon Forest School students. As well as the students featured here, I would like to say well done and thank you to all the students who have been rewarded for their house points and excellent conduct since September. We have enjoyed some lovely Christmas celebrations this week and wish you all a lovely break." Mrs Haines

OXBRIDGE TALK FOR YEAR 10 STUDENTS

Ruth from Cambridge University and Fiona from Oxford University visited the school in November to speak to a group of our Year 10 students about attending university. Their talk focused on:

- An introduction to academically-selective (Russell Group) universities.
- An introduction to Oxbridge: the collegiate structure, what makes them a bit different from other universities, as well as myth busting.
- Advice on post-16 options for academically-selective universities. This focused more on Oxbridge's requirements as they have more stringent criteria than other Russell Group universities. They made it clear that students should be taking A Levels, and looked at the types of subject combinations they should be thinking about.
- Signposted students to resources they could use to explore their options further.

Ruth and Fiona talked enthusiastically about university life and answered questions from our students. They said that whilst students in Year 10 are studying GCSE subjects it is very important for them to start thinking about their next steps in education so they have the opportunity to apply to university in a successful way. Both Ruth and Fiona commented on how engaged our students were and were disappointed they had to leave before they could answer all of their questions.

Thank you to Mr Koniarski, Bradon Forest's Most Able Coordinator, for organising this opportunity for our Year 10 students.

THE BLUEPRINT FOR YOUR FUTURE

DANIEL COLLECT MEMORIAL

It was a bright, crisp morning on Thursday 9 December for the tree planting ceremony in memory of our colleague Daniel. We were honoured to welcome family, friends and former colleagues and students from both Bradon Forest and St Mary's Primary schools to pay their respects to our much loved ICT Technician.

Daniel's mum, Mrs Collict, said a few words about her beloved eldest son and included many kind messages from his friends and colleagues around the world.

Dave Cox, Head of ICT in The Athelstan Trust, said that Daniel's contributions will benefit students for years to come. Mrs Wilkinson read a lovely Native American poem.

Daniel's closest Bradon Forest colleague, Fred Dundas, described Daniel as his 'left hand man' and remembered how he was always willing to help anyone, sometimes "leaving the IT office with the phone still attached to his ear!"

Native American Poem

I give you this one thought to keep.
I am with you still. I do not sleep.
I am a thousand winds that blow.
I am the diamond glints on the snow.
I am the sunlight on ripened grain.
I am the gentle autumn rain.
When you awaken in the morning's
hush,
I am the swift, uplifting rush
of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not think of me as gone.
I am with you still in each new dawn.

Everyone described Daniel as kind, generous, knowledgeable and helpful with a great sense of humour.

We have planted an oak tree in the Art Garden to commemorate Daniel and Mrs Collict explained why the oak tree is so important to their family. The oak is one of the most loved trees in the world, and with good reason. It's a symbol of strength, morale, bravery and knowledge. Oak is often associated with honour, nobility, and wisdom as well thanks to its size and longevity. A fitting memorial for Daniel. He will be missed.

*Daniel Collict
1983 - 2021*

SAFE DRIVE STAY ALIVE

On Monday 8 November, Year 11 students took part in the Safe Drive Stay Alive roadshow. Safe Drive Stay Alive is a road safety initiative that aims to empower young drivers to make safe driving choices. There is evidence to suggest that young people aged between 16 and 25 years of age are more likely to die or suffer serious injury from a road traffic collision. Safe Drive Stay Alive uses hard hitting performances to inform young people of the dangers and catastrophic effects of poor driving choices. True stories were told by existing emergency service staff and family members who have been directly affected by the tragedy caused by serious road traffic collisions.

Thank you to the staff from Dorset and Wiltshire Fire and Rescue, Arval, Wiltshire Police and Wiltshire Road Safety Unit who came to deliver the workshop.

REMEMBRANCE SUNDAY

Our two Head Students, MJ and Rhys, proudly represented Bradon Forest School with Mrs Haines on the Remembrance Parade in Purton.

The school also fell silent at 11.00 am on Thursday 11 November to remember those who have given their lives in wars around the world.

ATHELSTAN STUDENTS MEET MATHEMATICIAN AND SLAM POETRY WORLD CHAMPION, HARRY BAKER

In November, Year 7 students from across The Athelstan Trust were treated to a performance by mathematician turned slam poetry world champion, Harry Baker. Chipping Sodbury School kindly hosted this event with students from other Athelstan schools arriving by minibus to experience the event and subsequent workshops. Athelstan students not lucky enough to meet Harry Baker in person were able to watch a live stream of the performance which included poems about prime numbers, falafels, dinosaurs, the creation of the universe, paper people and angel delight!

It was fantastic to see students so engaged by Harry's performance and whether in the hall at Chipping Sodbury School or watching via a screen from a different school, students were encouraged to join in; a particularly fun moment involved everyone shouting out in German: 'wie viel falafel ist zu viel falafel'!

The theme of the morning was opening our minds to the creative potential of different subject specialisms and Harry's performance showcased this through sharing his passion for maths, science, and history through the medium of performance poetry.

The students comments at the end of the morning were a joy to read and speak volumes about the power of enrichment opportunities like Harry Baker's visit:

'My favourite part was writing my own poem because I didn't know that I was so good at making poems'; 'He is a very cool guy'; 'My favourite part was the dinosaur poem because of the sound effects'; 'It was fun to learn about NASA'; 'It was amazing to hear Harry Baker read out his poems' and last but not least, 'It was all brilliant'!

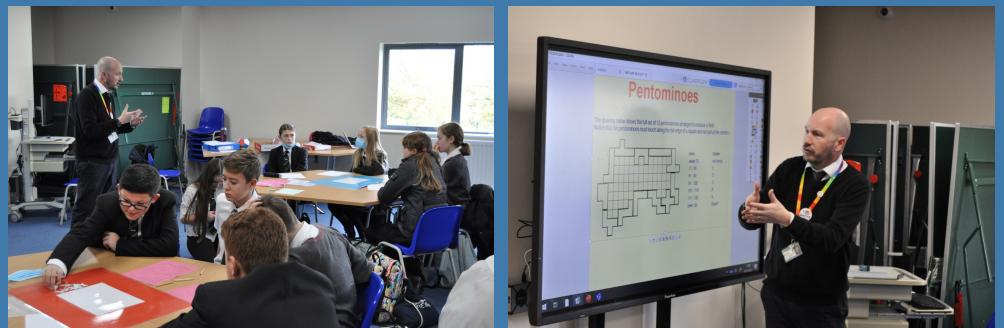

The live stream can still be enjoyed with this link: <https://www.youtube.com/watch?v=wC98qq-CEVY>

ATHELSTAN TRUST MATHS CHALLENGE

We recently hosted an Athelstan Maths Challenge at Bradon Forest School for Year 7. Unfortunately, a shortage of minibus drivers and covid cases on the rise resulted in a competition between mixed teams of Bradon Forest School and Malmesbury School students rather than all five schools as had been hoped.

With keen young mathematicians ready to rise to the challenge, famous mathematicians as team names were the order of the day and with Year 10 leaders supporting each team it made for a captivating atmosphere, complemented by the humorous compering by Mr Widdop!

Each round tested the students team working and problem-solving skills, and the lead changed hands several times as the morning went on. The collaboration between students from each school was a real positive, each drawing on their different strengths to help their team.

"I would love to do more Maths like this!"

Mrs Hooper helped to organise the event and said *"It was brilliant to see how all the students threw themselves into solving the problems given to them. I was particularly impressed with how they worked and how Bradon and Malmesbury students interacted and worked together. I'm looking forward to the next event."*

"I liked working with Malmesbury to figure out the maths challenges".

Sarah McCombe who brought the students from Malmesbury School commented *"I was incredibly impressed with their maturity and enthusiasm in collaborating with students from another Trust school. It was fantastic to see students utterly engrossed in some really interesting and challenging activities involving Maths in a myriad of ways."*

The next Maths challenge is for Year 9 in January, hosted by Malmesbury School, where hopefully we will see more Athelstan schools ready to compete for glory!

"It was very challenging, and it made my brain work. It was fun seeing the children from Malmesbury".

In 2022, 55% of students will go to a Russell Group University

In conjunction with Malmesbury School

COLLABORATION 6!

Malmesbury School already has an established, well respected and high achieving sixth form. Two years ago we collaborated with them and initiated the first satellite sixth form model in the Trust. Historically, with Bradon Forest School providing a 11-16 provision, this model has empowered us to provide an education for our students into KS5. Students attend Malmesbury School for four days a week and then return to their home school for one day a week. This has been dubbed 'the best of both worlds.' Students can enjoy the benefits of attending a bigger, well established sixth form facility for four days and then return to their home school for one day a week – back to an environment that they are familiar with where they are well known. From the school's point of view we now offer a 11-18 education to prospective students and parents in our local community. Also, our staff have the fantastic opportunity of being able to deliver A Level lessons. Shifting the focus slightly from 11-16 to 11-18 means that any transition to whatever post 16 provider they choose will be smoother.

We currently have a number of students studying A Level across Year 12 and 13. Teachers at both sites collaborate to ensure that the students who have chosen the Bradon Forest Sixth Form in conjunction with Malmesbury receive a first class offer. There are a wide variety of subjects that are currently studied by students who have chosen this cross Trust model, ranging from the Arts to Sciences.

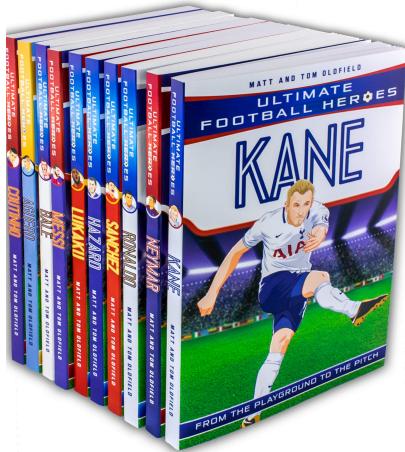

Mr Dipple, Assistant Headteacher, is excited at the prospect of growing our Sixth Form in conjunction with Malmesbury. A key step in this journey was the A-Level Taster Day that ran on the 1 December involving 56 students who sampled a range of A Level subjects delivered by subject specialists at Malmesbury. One Bradon Forest parent commented that her daughter loved Malmesbury, it far exceeded her expectations. She found the staff really supportive, kind and encouraging. It was also positive to hear Malmesbury staff echoing these sentiments. Charlotte Morris (History A Level) said "*I was literally buzzing after the history taster on Wednesday - what an awesome bunch of students!*".

It is certainly exciting times, as the collaboration across the Trust grows in relation to Sixth Form! If you have any questions, please get in touch with Mr Dipple.

AUTHOR VISITS - MATT OLDFIELD

Matt Oldfield is the author of the Ultimate Football Heroes, a series of biographies telling the life-stories of the biggest and best footballers in the world and their incredible journeys from childhood fan to super-star professional player. Written with his brother Tom they are a fast-paced, action-packed style of books from Maradona to Messi, from Beckham to Kane – and their incredible journeys from the playground to the pitch. To date, the Ultimate Football Heroes series has sold over 500,000 copies in the UK alone.

Here's what one student wrote about the workshop: "When Matt came to express his passion of writing and football, I was moderately excited. It didn't seem appealing or intriguing as books about football and lives of people I've never heard off doesn't excite me. His books were football non-fiction and sometimes a lot of facts can be monotonous, but throughout the workshop it was very interesting to learn how challenging some careers are and how resilient and determined the footballers are. Matt then told us the process of writing books and taught us how to structure stories. He concentrated more on what we have as a passion or interest, like golf or dancing, and we wrote about that. He gave loads of support and advice and that helped a lot. Thank you, Matt Oldfield and Bradon Forest for this fantastic opportunity." Emily Marvell 8P1

After Matt Oldfield's successful visit last year, he returned to school for a visit with students from Year's 7, 8 and 9, who took part in a workshop on resilience, growth mindset and bouncing back after a setback. The students were fully engaged and contributing to the sessions and came away with an enthusiasm and understanding for creating their own bounce back story from their own experiences. Matt sold signed books to students during break time, have a look for signed copies in the library when you next borrow one.

AUTHOR VISITS - FRANCESCA TYER

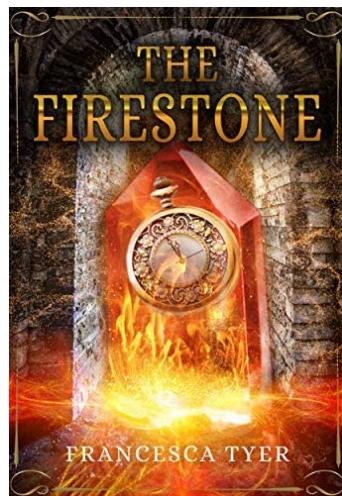

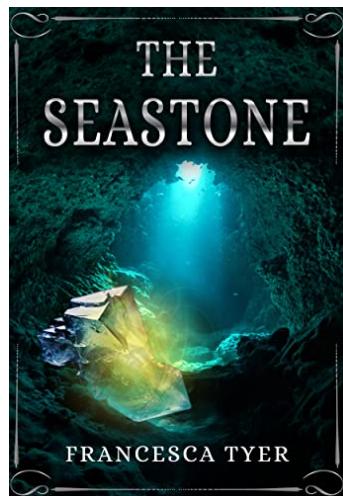

Elesha Warren, Year 11, reports: "On Thursday 9 December students got the opportunity to meet the published author, Francesca Tyer. Miss Tyer came in to meet us to talk about her experience as an author. Students were selected from each year group to participate in the creative writing workshop which included ways in which to improve both descriptive and narrative writing."

We were taught how to use senses to let the reader know what's happening in the story without explicitly telling them. We took part in an activity in which we had to look at a picture and write down how the five senses would react if they were standing in that scene. This activity helped us understand the concept of 'show' and not 'tell', where authors deliberately don't tell the reader what is happening, but instead infer it through language and structure devices. As well as this, Francesca taught us the fundamental structure of a story, this includes the 'hook' of the story, also known as where the story starts, all the way through to the 'resolution' where everything is resolved. In the workshop the students got the opportunity to plan and write the opening to a story. The author helped us by teaching the importance of the opening line and how to set the scene for the plot. In small groups multiple stories were started and examples were read out to the entire group with Francesca giving positive feedback on all.

Overall, the experience really got us thinking and was a great opportunity for those who participated. Francesca Tyer's wonderful books are titled 'The Firestone' and 'The Seastone' and are part of a new

series by the upcoming author called 'The Elemental Prophecy'. If you are a fan of 'Harry Potter', 'The Lord of the Rings' or 'His Dark Materials' I would highly recommend you give the talented authors books a read as they incorporate reality and fiction in a beautifully intertwining way. Francesca Tyer's books are available on Amazon, Waterstones, WHSmith, The Bookseller and more. You can also purchase a signed copy from her website, francescatyer.com or authorsreach.co.uk."

CHILDREN IN NEED

Students and staff raised funds for Children in Need.

Karaoke at lunchtime in the Theatre and staff dressed up along the theme of the Addams Family/gothic horror to kick off interest in our whole school production.

Policies - Bradon Forest School

EMC A LEVEL ENGLISH LANGUAGE TASTER

Year 11 students were given the opportunity to experience an A Level English Language taster session this term, organised by the English and Media Centre (through the English Faculty at Bradon Forest School). This session, called 'Looking Into Language', was a free online course (via Zoom) and consisted of a series of lectures as well as a Q+A session at the end. There were four lectures in all

and these covered topics such as 'Accent and Dialect - and Interpretations' and 'Language in the News': one lecture even showed how language has been used to catch criminals! The students involved found this session very interesting and have commented that it has encouraged them to give further consideration to studying English Language at A Level: the lectures were thought-provoking, engaging and lively. It seems that English Language is far more influential and revealing than we all realise!

“
Audio can give us a facial sketch of a speaker, as well as their height, weight, race, age and level of intoxication.

ABBEY HOME FARM TRIP

Mrs Loxton reports: Mr Morris arranged a trip for nine Key Stage 3 students to Abbey Home Farm to learn about farming and organic foods. Everyone had a great time sampling the fresh foods, especially the tear jerking mustard leaf and the super sweet tomatoes. The group saw a number of expectant heifers in the cow shed and a very cute two day old calf. We investigated the dairy and how cows are milked, our final destination was the pig fields for some super adorable piglets and a very large pig called Boris.

Everyone was interested in the different challenges farm life brings and the different jobs you have to do to keep the farm running smoothly. The students were especially happy to win the challenge set by

our guide, Matt, to name as many crops and answer as many questions as possible, however Mr Morris and I would like a recount of the final scores! A really lovely day out!

have children who have just started in Year 7, this gives us so much information and leaves us full of positive feelings that our children will have a fabulous time during their years at Bradon Forest. Well done for such a wonderful video full of all the encouraging words from pupils."

Mrs Bayne, Headteacher at St Sampson's, was very grateful for the gift and said the money would be spent on reading books for the children. As well as presenting the cheque Mrs Haines toured St Sampson's with Mrs Bayne and they discussed how the two schools could work together more closely to strengthen our relationship.

If you haven't already watched the school's promotional video [you can view it here](#).

PRIZE FOR ST SAMPSON'S PRIMARY SCHOOL

Mrs Haines visited St Sampson's Primary School in Cricklade to present them with a cheque for £100 for learning resources. St Sampson's were the winners of the Facebook competition we ran in September to promote our school video. St Sampson's were nominated by Kimberley Toomer who said, "*This video shows how much the pupils enjoy school life. They are offered endless opportunities to suit different children of all ages. They talk about different subjects all across the school and how the teachers are so supportive and encouraging. For parents who*

OPEN MORNINGS 2022

MONDAY 7 MARCH 9.15AM - 10.30AM

TUESDAY 8 MARCH 9.15AM - 10.30AM

Book your FREE place here: tinyurl.com/BradonForestEvents

BTEC MUSIC CONCERTS

Our Year 11 BTEC Music students held a series of fabulous concerts as part of their studies. The gigs were held in the Music rooms and were free for all to attend. Congratulations to all who took part. It takes a lot of confidence to get up and perform in front of your peers!

More photos available to view on our [website](#).

BRADON'S GOT TALENT

Our Bradon's Got Talent competition will take place on 15 December as part of the House Charity Day. We look forward to giving you a full report in the next newsletter, but for now here's a picture of our Heads of House, Mrs Clark, Mr Hutchings and Mrs Batchelor, who were the judges for the auditions!

PUMPKIN CARVING COMPETITION

A HUGE well done to all the students who submitted an entry to the pumpkin carving competition. All the students who entered have been awarded 5 house points each. Here are the winning entries.

First place went to Elliot M from Year 9. Zara G from Year 7 was awarded second place. Third place went to Sophie M from Year 7.

BOOK BUZZ

We are very grateful to be part of the Bookbuzz reading programme again this year. Bookbuzz is organised by the BookTrust charity and aims to inspire a love of reading in 11 to 13-year-olds. Our

Year 7 students were given the opportunity to choose their own book from a list of 17 titles to take home and keep. All the books are carefully selected by a panel of experts to ensure quality, suitability and to encourage reading for pleasure. Here are some of our students enjoying their books in the library today.

HARVEST GIFTS DONATED TO SWINDON FOOD BANK

All the Harvest donations for the Swindon Food Bank were collected by their lovely driver, Neil. Congratulations to Ringsbury house for amassing the most gifts.

WILTSHIRE AIR AMBULANCE

This term Mrs Davies, Mrs Johnson, Mrs Loxton and her tutor group (9R2?) have been working hard to "brick up" all the crisp packets collected to deliver them for recycling to raise much needed funds for Wiltshire Air Ambulance. Pictured are some of the members of Mrs Loxton's tutor group along with the final bags of crisps (we had already dropped off another two giant bags earlier in the term!) Thank you to all the Bradon Forest Staff and students who saved their crisp packets over the last 2 years for us.

We would also like to inform you that we are now collecting any stationary that has run out e.g. any brand of pen, felt tip, highlighter, marker, correction

fluid pot, correction tape, mechanical pencil, and eraser pen and again this is to raise funds for Wiltshire Air Ambulance.

PENS, MARKERS, HIGHLIGHTERS FELT TIPS & CORRECTION FLUID

ACCEPTABLE WASTE

RAISING FUNDS FOR

MOCK INTERVIEWS

Mrs McGovern reports: Congratulations to all our Year 11 students who attended their 'Mock Interviews' on Tuesday 30 November. The feedback from our 26 visiting interviewers has been very positive and encouraging and all the students should be really proud of how well they did.

Some of the comments received from our interviewers were: "We really enjoyed meeting your students who are a credit to the school." "Very engaging and enthusiastic students, I was happy to be a part of this event and more than happy to return again." "The students came up with some amazing questions and looked the part in their smart suits and office wear."

Again, well done to everyone for producing CVs, attending interviews and displaying your Bradon values.

WILTSHIRE YOUTH UNION

Good luck to the seven students who have put themselves forward as Wiltshire Youth Union candidates. They are now busy putting together their campaign strategies. Voting will take place at the end of January to decide which of our students will represent Bradon Forest: Molly Bond, Varinia Montisci, Aliyah Orchard, Chelsea Hancock, Evie Chivers, Emily Marvell and Adam Morley.

HUMANITIES TRIP TO STONEHENGE

The Humanities Department had a successful Year 7 trip to Stonehenge to learn about the historical, geographical and spiritual aspects of this amazing landmark.

They need to produce a campaign video to be sent out to all students which must include:

- why they think they should be voted youth councillor
- what their priorities are
- what skills they have that demonstrate they would be a suitable candidate
- examples when they have demonstrated those skills.

Candidates should not talk about other candidates characters or behaviours, instead focus on their own manifesto pledges.

"It is great to have Bradon Forest School signed up for our Youth Council. It is a fantastic opportunity to get young people involved in having a say about what happens in their local area and throughout Wiltshire. If you know of any young people attending between the ages 11-18 who might be interested, please encourage them to run in the elections. #Youthvoice #WYCelections2022 "

SPORTS NEWS

OUTSTANDING ACHIEVEMENT FOR NIAMH CRIPPS

Year 11 student, Niamh Cripps, recently competed in the Junior Team Golf English National Final at Ramside Hall Golf Club, Durham. The team have won the Regional and Southwest qualifiers to reach this point. The team were playing for one of the 3 qualifying spots to reach the grand Home Nations Final and then as a club represent England playing against the home nation teams of (Scotland, Wales, Ireland). After a real battle on the golf course in very tough conditions, Broome Manor were very strong and finished 2nd place and qualified for the grand finale, which will take place in 2022 and will be televised on Sky Sports Golf channel.

Niamh also finished 2nd best nett score, which out of the 36 elite players was a real achievement.

Her coach from Swindon Premier Golf Academy, Lee

Hayward, said: "I am very proud of what Niamh has achieved, not just this weekend but overall, in her golfing development, she is a credit to her coach, the golf club, her school, her family and most importantly herself."

Mrs Haines added:

"As a school, we are very proud of Niamh. She is an excellent role model to others, displaying all our school values in everything she does. Niamh is very passionate about her golf and despite recent setbacks with her back and lockdown, she is never negative and always exudes her love for the sport. This is a reflection on Lee and the team, and as a school we are very grateful for all the time and energy they devote to Niamh."

SWINDON SCHOOL CHAMPS FOR RUGBY BOYS

Mr Hartley reports: "Congratulations to the Year 9 Boys' Rugby team who are now the U14 Swindon School champions, winning all their matches - 7 out of 7!"

THE BLUEPRINT FOR YOUR FUTURE

KS4 GIRLS' BADMINTON

The KS4 Badminton Team, made up of Lana Gray, Lucie Miles, Tia O'Keeffe and Holly Poole won the Swindon Schools KS4 competition on Monday 6 December, beating Ridgeway and RWBA. They will represent Swindon in the County Finals in Tidworth next March!

KS4 BOYS' BADMINTON

Mr Hartley reports: "Pictured are our KS4 Boys' Badminton Team. They completed this term at Ridgeway School and although they didn't win they played well."

NATIONAL DANCE SUCCESS FOR ISLA

Congratulations to Isla Clements who took part in a National Dance championship and came first in six dances and second in two others. She won the Championship overall! Outstanding result, Isla!

YEAR 7 INTERHOUSE CROSS COUNTRY

Mrs Evans reports: "Another glorious, sunny day for our interhouse cross country competition. The last, but by no means least, group to take to the course were the Year 7 A side. Well done to Evie and Ashley who were the first girl and boy to finish."

Mrs Wiltshire and Mrs Harris were gluttons for punishment and ran on successive days. Thank you to Mrs Harvey-Evers who ran with the students too."

Gallery here: <https://brandonforest.org.uk/news/>

NORTH WILTS CROSS COUNTRY CHAMPIONSHIPS

Mrs Evans reports: "Well done to all cross country team we took to Beversbrooks, Calne for the North Wilts XC Champs on Wednesday 17 November. Top finishers for the girls were Evie Gunning (Y7) and Lexie Usher (Y9). The qualifying Year 7 boys were Alex Leak who finished 5th, Dylan Collins, 7th, Ashley Mavangira, 9th and the top Y9 boy finisher was Max Robinson.

Cross Country Team

U16 GIRLS' FOOTBALL

Mrs Evans' reports: "Our U16 Girls' Football team gave an excellent performance in the English Schools' Cup, beating Melksham Oak 4-3. Player of the match was Lani Hunt. This means we are through to the last 32 in the country!! Good luck to the everyone in the team for the next round when they will be playing St Peter's from Gloucester."

FINLAY SCOUTED BY WELSH FA

Following Finlay's success at the Southampton FC Academy he was scouted by the Welsh FA and invited to attend the Wales FA training camps for the 2021/22 season.

He attended his first two day camp over half term and thoroughly enjoyed it. Future training camps will be held throughout 2022.

Pictured left is Finlay outside the Welsh FA's Dragon Park which is their National Football Development Centre. Well done Finlay, we look forward to following your football journey!

BENCH BALL

Well done to our Year 8 Benchball team who won the tournament held at Nova Hreod on Tuesday 7 December. They won every game and then the final. Fabulous achievement!

HOUSE COMPETITION: CHRISTMAS DOORS!

This December, the Heads of House ran a Christmas Door Decorating Competition. It was great to see so many festive doors around the school as tutor groups plus teaching and support staff all got involved.

Congratulations to Miss Hazell and 7R2 for winning 1st place for their wonderful Grinch creation. Miss Gerrish and 10B3 came 2nd with their humorous Santa Legs effort. Third place went to Mrs Loxton and 9R2 with their historic appreciation of the 1914 Christmas truce. We would love to see this as an annual competition!

ART DEPARTMENT CHRISTMAS CARD COMPETITION

Congratulations to Maddison Dyer, Year 7, for winning the Bradon Forest Art Department Christmas Card Competition. Maddison has won a £10 Amazon voucher.
