WHAT IS THE WPCC SEND ACTIVITY GUIDE?

The WPCC SEND Activity Guide brings together as many SEND inclusive activities, leisure and social opportunities in Wiltshire (and surrounding areas) as possible.

The activities listed may be for a specific age range or groups based on needs.

Some activities are specifically run for children/young people with SEND, but there are also a number of activities that are inclusive of SEND and the organiser has requested that you contact before booking to discuss your child/young person's needs/requirements to ensure they can be appropriately accommodated. **We can only promote the activities we know about; if you know of other activities, please tell us.**

Anyone in Wiltshire can use the SEND Activity Guide to access inclusive opportunities for young people with SEND.

How to use the SEND Activity Guide: -

- ♦ Each activity in the Contents has been given an item number which corresponds to the activity name.
- ♦ Find out more about a specific activity, who to contact and how to book by looking up the item number on the Activities Information list and using the contacts or web link provided.

Every effort has been made to ensure accuracy at the time of going to print, but we recommend that you ALWAYS check to see whether there have been any changes to times/dates/availability of any sessions advertised before attending.

Inclusive Wiltshire Scheme!

From Spring 2026, the old Short Breaks Scheme has been replaced with a new scheme called 'Inclusive Wiltshire'.

A significant change to the previous scheme; parent carers will need to complete an Eligibility Checker which will identify the offer or offers most likely to meet your child's needs, based on the responses you submit.

Offers within the new scheme are:

- Community Activities (ages 0 to 25) - a range of inclusive local activities
- Activity Payment (ages 6 to 18) - an annual payment of £140 for eligible children and young people
- Activity Plus (ages 8 to 16) - extra support for eligible children and young people
- Activity Extra (ages 6 to 18) - enhanced support through Barnardo's for eligible children and young people with more complex needs

Before applying, we strongly recommend that everyone reads the information on the Wiltshire Local Offer website:

www.wiltshire.gov.uk/local-offer/inclusive-wiltshire

You will find details of the offers within the new scheme, which will help to inform your choice should the Checker result in more than one offer for you to choose from. There is also a FAQ on the Local Offer website, which includes more information about the scheme.

You can apply for the scheme here:

<https://apps.wiltshire.gov.uk/InclusiveWiltshire>

If you need any support, you can email: **inclusivewiltshire@wiltshire.gov.uk**

INCLUSION FUNDING FOR SETTINGS

Early Years Inclusion Support Funding is a financial contribution for early years settings towards the inclusion of children aged 0-5 who have a disability or difficulty that creates a barrier to their learning.

The funding is 'Needs Led'.

An Early Years Inclusion Officer and your setting will discuss any additional support required, in partnership with parents. The funding can be used by the setting for training, resources or support which is additional to or different from what is normally expected to be provided within your setting. It is neither the expectation nor intention that the additional funding will provide 1:1 continuous support.

Crisis and Resilience Fund – Replacing Household Support Fund

The UK Government has announced a **new three-year funding stream to support people in financial crisis** that will replace the Household Support Fund (HSF), which ended on 31st March 2026. Recipients of support through the HSF will not automatically receive the same, or similar, under the new Fund.

The new Crisis and Resilience Fund (CRF) is intended to help support low-income households facing financial shocks and fund activities to build individual and community financial resilience.

There are four components to the new Fund:

- Crisis Payments – via an application process, with wraparound support
- Housing Payments – which will replace the Discretionary Housing Payments
- Resilience Services – to help individuals and communities to build financial resilience, beyond the funding period
- Community Coordination – to build stronger communities that support each other and bring voluntary sector community enterprises together to support individuals.

Family Hubs Information

Spurgeons provide Family Hubs in communities throughout the county.

This Family Hub model aims to give greater local community support and guidance for families and young people aged from 0 to 19, extending to 25 for those with Special Educational Needs and Disabilities. The development of this model was informed by extensive engagement with parent carers and other stakeholders across the county.

The plan includes the provision of hubs in community buildings throughout the county, plus main hubs in Trowbridge, Chippenham and Salisbury. There is also a digital platform that can be accessed on phones, tablets or computers, offering information, support, and courses. Each hub has its own team of navigators. They have a visible presence in the community to ensure they are on hand to offer help to families that need it, and to signpost and create links to other agencies, such as local schools and early years providers.
